Program Challenges & Missed Opportunities

- Funding gap
- Operational inefficiencies
- Public awareness/OSNP brand
- Research/ evidence of positive program outcomes

Integrating Academic Research and Community Practice

Opportunities exist to evaluate:

- healthy snack and breakfast programs
- food literacy programs
- soup & salad bar pilot program
- centralized food procurement and delivery program

Improving Patient & Population Health in Southwestern Ontario through Innovation

- positive impact on long term dietary habits of Ontarians (students & families)
- increase graduation rates, students success, integration of new Canadian families, etc all contribute to
- increasing access to affordable healthy food for community/public agencies
